

Dear Candidate

We have been advised by the Returning Officer that you are to be a Candidate in the 2012 PSC Council elections. You will probably be aware from last week's press coverage that TRRA' Inc., in conjunction with other Community groups will be running a series of 'Meet The Candidate Forums' in the lead up to the election. Attached is our Press Release and our invitation to you as the lead Candidate in your Group, or a Mayoral Candidate, to participate in these Forums. (We had some difficulty getting all the contact details, so please forward this information to the other members of your Group if you wish them to attend.

All the details are in the invitation, we have received good publicity so far and we think that the Forums should attract good support from the public, we hope you are able to participate.

We would also like to acknowledge: The Medowie Progress Association, Soldiers Point Community Group Inc, Anna Bay Business and Residents Association, Anna Bay Community Action Group Tanilba Bay Community Groups for their assistance in this initiative, and the Examiner for their editorial support.

Please acknowledge receipt of this invitation so that we know that we have your contact details correct, and register with me for the Forums if you wish to attend. We will be sending further information to those that do.

Good luck with your campaign,

Dick Appleby, TRRA Webmaster
