2015 NSW State Election – ‘Meet the Candidates’ Forum

Nelson Bay Bowling Club – 7:00 pm 09 March 2015

As we have done at all Local and State Government elections since our inception in 2008, TRRA Inc. has invited candidates to take part in a Public Forum with a view of bringing them and their constituents together for a robust discussion in a properly controlled environment.

We have developed a successful format using PowerPoint presentations to project questions onto a screen and a digital timer to ensure all candidates get equal time to answer them. There will also be a session of Questions from the floor and a crash course on How your Preferences work.

This forum open to the general public, come along and ‘Have Your Say’
