Dear Margaret,

Re: Item 9, Ordinary Council Meeting 28 July 2015 – 398 Cabbage Tree Road, Williamtown

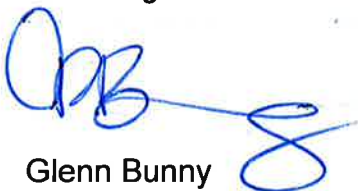

Thank you for your letter received via email on 28 July 2015 on behalf of the Tomaree Ratepayers and Residents Association (TRRA) regarding Item 9 on the Ordinary Council Meeting Agenda for 28 July 2015 in relation to 398 Cabbage Tree Road, Williamtown.

I appreciate the wider concerns of the TRRA over the history of the site going back to the tender process. However the report and recommendations put to Council on the 28th of July only addressed the assignment of the lease. I am sure that you will be aware that the Council resolution was in favour of the recommended action.

There has been a significant amount of debate and speculation about this issue, however from an operational perspective I believe that the decision to reassign the lease to Williamtown Sand Syndicate Pty Ltd by Council affords the best possibility of operations commencing.

Council looks forward to working with the TRRA in delivering continual improvements to the area in all regards.

Kind Regards
