The NBN Is Coming To Tomaree Peninsula

TRRA Inc. has invited the new Telstra NBN Manager, Bianca Gordon-Smith, as the Guest Speaker at their next General Meeting. The progress of the roll-out, some technical aspects and the options that will be available will be in her presentation and she will be answering questions from residents who want to be informed about this major technical advance coming to our region.

The Meeting will be at 7:00 pm on Tuesday 19 April, at the East Bay Room of The Nelson Bay Bowling Club. Reports also will be given on the current state of the Council Merger Proposal, the Hunter Regional Plan, current development proposals and other matters that directly affect residents on the Tomaree Peninsula and all interested parties are welcome to attend. More details available on the TRRA website.
