

MEET THE CANDIDATES

Have you decided who to vote for in the forthcoming Council elections in September?

Tomaree Ratepayers & Residents Association is organizing a programme of meetings to provide the community with the opportunity to meet prospective Tomaree candidates for Port Stephens Council. Candidates will have the opportunity to outline their qualifications and experience for the role, their achievements and their vision for the Tomaree Peninsula. They will be asked to answer questions on their stance on issues vital to our area.

Three meetings are planned. The first will be held on Monday 28 July at 7.30 p.m. at Nelson Bay Bowling Club. To this TRRA has invited current East Ward Councillors who are standing for re-election.

Newly-standing East Ward candidates will be asked to address a second meeting on August 25. A special third meeting will be held in Anna Bay on a date to be announced in August for all prospective Central Ward Councillors - both current and newly standing.
