

TRRA 'FIRST NIGHT' AT THE MOVIES

As a break from grappling with the concerns of the community, Tomaree Ratepayers & Residents Association has organised a function with a lighter note. We are hosting a social cinema night for members and friends for the Nelson Bay “Premiere” of the acclaimed film 'Young @ Heart'.

The reviews for this film are outstanding.

David Ansen of Newsweek claims that it is *'a gem I can happily recommend to anyone. It follows 24 men and women in Northampton, Mass., for seven weeks as they prepare for a nearby concert....There are scenes in this movie that startle me with their power... 'Young @ Heart' sends you out of the theater transformed. If I didn't hate the phrase, I'd call it life-affirming.'*

USA Today describes the film *'as a heartening and poignant affirmation of the transformative power of music'*.

The film night will be held at Nelson Bay Cinema on Thursday 6 November at 6.15 for 7.00 pm. Members, non-members and friends are invited to join in the laughs and tears of this first night showing.

The charge of \$15 per head covers the film, and pre-film drinks and nibbles.
