New TRRA Website Up and Running

TRRA's new website went live today at 9.54am.

trra.com.au

We have revamped our website using new software from WordPress that makes it much easier to administer and update it with current issues affecting the ratepayers of the Tomaree Peninsula.

Authorised Committee Members will be able to post **Documents** and **Submissions** directly onto the site as they are produced, and your feedback will be encouraged as we develop this capability.

'**Hot Issues**' such as our submissions on the proposed **Nelson Bay Farmers Markets** and the proposed changes to the **Council's Tree Preservation Policy** are covered on the site today.

We will update our **archives** from the old site over the coming weeks.

TRRA will be conducting their **Annual General Meeting on October 10 2011** and details of the meeting, minutes, nomination forms etc. are all available on the site under 'Hot issues'.

If you care about this beautiful area as we do, and want to keep it beautiful, stay informed on local issues on this site trra.com.au
